

# HOW TO CARE FOR FORBES PRODUCTS

## Stainless Steel Hot Boxes

Before any cleaning or maintenance, be sure the power of the unit is in the off position, unplug from any power source it may be accessing, and remove the power cord from the unit. After being sure to follow the previous steps please review the following for cleaning instruction of your Forbes unit.

Type of Material	Recommended	Not Recommended
<b>Stainless Steel &amp; Aluminum</b>	To clean use a mild soap with a clean damp soft cloth making sure to wipe off any soap residue and moisture.	Do Not Use any solvent based cleaners or any abrasive cleansers or pads.

Be sure to follow any and all of the labels affixed to your unit. Take note of and follow the regulated limitations of the product.
