

**EXPRESS LINE MOBILE BAR - 4071****SKU:** 4071-6-GD

The Forbes Industries Express Line Mobile Bar comes with cabinets finished in either "Negotiating in Geneva" or "Thunderstorm" high pressure laminate. The serving countertop and bar interior is finished in a black high pressure laminate. The working side features an open back with stainless steel countertop, stainless steel sink with drain, and two stainless steel speed rails. This bar is fitted with black T-molding to protect the edges and four corner bumpers to protect the cabinets during transport. All express line products ship in one week or less.
