

## CUSTOM DELUXE SPEAKER'S PODIUM - 5912-X71

**SKU:** 5912-X71

Custom speaker's podium featuring a pedestal-style cabinet with a custom engraved logo top, finished in wood grain and stainless steel laminates. The contemporary angled reading surface is finished in stainless steel laminate and features directional LED down-lighting to illuminate the logo plate. The main compartment houses an electric vertical lift system to allow for multiple height settings. Includes: a dual-intensity reading light, two XLR connectors, a flipup cable cubby, one pull-out side shelf with decorative ring pulls, and cable management throughout. Two 4" wheels allow for tilt-n-roll mobility.
