The Original Acton Stacker®, featuring its distinctive Z-shaped frame, is designed for long-term seated comfort. The seat back's concave shape supports the lower lumbar region of your back, while the upward slope of the seat back provides additional support for your lower body. The unique "waterfall" seat design slopes downward to relieve pressure from your legs, creating one of the most comfortable seating experiences available.

The chairs come with a chrome frame and eleven shell colors, allowing for a personalized aesthetic to match any space.

This **bundle includes 26 Acton Stacker® chairs** and **one dolly**, making it easy to furnish and manage your space with superior comfort and convenience.
