The NIMA™ chair, designed by Giancarlo Piretti, delivers stunning comfort for every body type with its ingeniously engineered articulating seat back. When you lean against it, the seat back flexes uniquely to your body, providing personalized comfort and support. The sled base design allows these chairs to stack up to 20 high on a dolly or 5-6 high on the floor, making them as convenient as they are comfortable.

The chairs come with a chrome frame and your choice of eleven shell colors, allowing for a personalized aesthetic to match any space.

This **bundle includes 20 NIMA™ sled base chairs** and **one dolly**, offering the perfect solution for easily furnishing and managing your space with style and ergonomic functionality.
