

THE ADMIRAL BAR CART -CUSTOM F35-5529-X23

SKU: N/A

ADDITIONAL INFORMATION

The F35-5529-X23 Admiral Bar Cart is a sophisticated, all-in-one mobile mixology station designed for premium hospitality experiences. Featuring a luxurious tambour wood finish, brass accents, and a high-performance setup—including a built-in glass rinser, ice bucket, and Thrill Vortex glass chiller—this cart blends elegance with functionality. With smart storage for tools, bottles, and essential systems, it delivers seamless service with style and efficiency.

Shown in: Onyx Galaxy Porcelain, Satin Brown Tambour, Custom Faux Leather, and Brass accents

- **Integrated Glass Rinser & Vortex Chiller** – Built-in rinser and Thrill Vortex glass chiller elevate drink presentation and service speed.
- **Flexible Speed Rail System** – Removable speed rail with three mounting positions adapts to different service styles.
- **Concealed Full-Service Utility Cabinet** – Discreetly houses CO₂ tank, water systems, pump, and battery for a self-contained operation.
- **Built-In Ice Bucket & Tool Storage** – 3.5 qt. ice bucket and dedicated mixology storage keep essentials within easy reach.
- **Elegant Tambour & Faux Leather Finish** – Solid wood tambour paired with faux leather cabinetry delivers a refined, luxury look.
 - **Brass Accents & Gallery Rails** – Metallic brass details add durability and a sophisticated visual edge.
 - **Smooth Mobility with Brass Casters** – 4" brass-plated casters provide effortless movement across service areas.
