## If It Moves, We Make It

Serving your guest is not a static operation that happens in the same place over and over. We provide the mobile equipment you need to serve your guest whether they're checking in, safely gathering for an event, or dining in-room or at one of your food and beverage venues. Our Birdcage® luggage cart is a great example; just the sight of it upon arrival ensures guests they'll be taken care of from start to finish. Whether it's the peace of mind of a well-sanitized room cleaned using one of our housekeeping carts, or the warm cheer of a custom cocktail crafted tableside from one of our mixology carts, Forbes Industries provides a broad range of world-class mobile solutions for Food & Beverage, Meetings & Events, and Hotel Operations.
