REVOLUTION®

BANQUET & TRAINING TABLES

REVOLUTION® patented table top technology offers the best of both worlds because it's extremely durable and exceptionally lightweight. At 1.7 lbs/sq-ft, Revolution® table tops are approximately 1/3 the weight of Particleboard/MDF. That is 66% lighter, yet incredibly strong.

THE 10 YEAR LINENLESS TABLE WITH MAXX EDGE® DURABILITY

MAXX Edge® is literally bonded to the table core and leaves no gaps for food or bacteria to collect. It's virtually indestructible! With your choice of any Formica® or Wilsonart® laminate finishes, plus a rich-looking 30mm profile, Revolution tables never need to be covered.

SETUP IS FAST AND EASY WITH REVOLUTION® TABLES

They truly are a revolution in ease of setup and time savings. With the Ready Set Transport cart these innovative, lightweight tables can be set in minutes with less effort and time saving you money on labor. This transport cart makes it so easy one person can set an entire room without assistance.

READY-SET TABLE CART

With the Ready-Set Table Cart you can set a room with lightweight Revolution® training tables in just minutes. This heavy-duty cart provides ease of movement, safety, product protection and compact storage, saving you time and money.
