

COUNTERTOP SAFETY SHIELDS

SETS UP IN SECONDS

MULTIPLE SIZES WITH ADJUSTABLE PASSTHROUGH OPTIONS

Health

Physical distancing has never been so essential. Now more than ever we need fast and reliable system to keep our businesses up and running. The new Countertop Safety Shields from Forbes can quickly and securely create a physical barrier in any environment with minimal effort. Our acrylic shields are durable, light weight and offer curved top corners so there are no sharp edges. The feet offer a multi-level slot design to provide easy height adjustment. Choose from 5", 3", or flush-with-counter height clearance options and change on the fly.

NO TOOLS REQUIRED
